The creator of such timeless masterpieces as *Rashomon*, *Ikiru*, *Seven Samurai*, *Yojimbo*, and *High and Low*, Akira Kurosawa is one of the most influential and beloved filmmakers who has ever lived—and for many the greatest artist the medium has ever known. Now, on the centenary of his birth, the Criterion Collection and Janus Films are pleased to present this box set celebrating his astonishing career. Featuring twenty-five of the films Kurosawa made over the course of his fifty years in movies—from samurai epics to postwar noirs to Shakespeare adaptations—AK 100 is the most complete set of his works ever released in this country.
