- Hole punch
- Colorful string
- Glue or double-sided tape
- **Optional:** Glitter

## 3D Christmas Tree Ornament

1. Color the image with your crayons or colored pencils.
2. Cut out the image using the dotted lines as your guide.
3. Punch a hole into the circle at the top of the ornament.
4. Fold each tree in half, colored side up.

5. Flip ornament over and apply glue or double-sided tape to the whole backside.
6. Fold in the 2 outside trees toward the middle.
7. Press each half of the tree to the half next to it and form a 3D ornament.

8. Tie a colorful string through the hole and make a loop to hang on your Christmas tree.

**Optional:** Use glue and glitter to make your ornament sparkle!
