## BOOKSELLERS

### Fact Sheet

**BN eBookstore:** more than one million digital titles from the world's largest bookseller

Barnes & Noble, the world's largest bookseller, offers the BN eBookstore ([www.bn.com/ebooks](http://www.bn.com/ebooks)) where customers can browse more than one million titles, sample any eBook for free, download eBooks wirelessly in seconds and share their favorite books with friends through innovative LendMe™ technology.

Following launches in July 2009, the BN eBookstore and free BN eReader software are available on a wide range of platforms – from NOOK™ 3G and NOOK Wi-Fi® and other third-party eBook Readers to iPad™, iPhone®, iPod touch®, BlackBerry®, and HTC HD2™, HP computers, PC and Mac® – ensuring consumers will always have access to the content they want, any time, anywhere.

### An Unrivaled Digital Catalog

The BN eBookstore offers more than one million eBooks, magazines and newspapers for customers to explore and enjoy. With the click of a button, get free samples of all eBooks, download most bestsellers, and thousands of free classics. From new releases to timeless titles, Barnes & Noble provides content from its eBookstore primarily in ePub format, the emerging standard for eBooks.

- **eBooks:** Customers can discover eBooks in some 50 categories including Bestsellers, Free eBooks, New Releases, Recommended Reads, eBooks Under \$5, New York Times Bestsellers, Top LendMe eBooks, At the Movies, Romance, Thrillers, Mystery & Crime, Teens & Kids and more.
- **Periodicals:** Favorite newspapers and magazines in digital form are delivered directly to devices. Barnes & Noble offers an extensive selection of major dailies such as *The Wall Street Journal*, *The New York Times* and *The Financial Times*, as well as *The New Yorker*, *Harvard Business Review*, *PC Magazine* and many more with new content added regularly. Digital periodicals are available through both a subscription – with a 14-day trial for all first-time subscribers – and as a single copy.

### Shop and Access Your B&N Digital Library Anywhere

Customers can access and shop Barnes & Noble's eBookstore in a variety of ways including online, on dedicated eBook Readers, computers, smartphones and other mobile devices. The BN eBookstore provides hundreds of thousands of helpful editorial and customer reviews and customers can use a credit or debit card or B&N gift card for purchases.

- **On the Web:** The BN eBookstore ([www.bn.com/ebooks](http://www.bn.com/ebooks)) lets you search, browse, sample, download and enjoy a vast catalog. With Barnes & Noble's Lifetime Library™, Barnes & Noble digital purchases will be accessible on BN.com, even if you lose a device.
- **On your dedicated eBook Reader:** Enjoy your Barnes & Noble collection of eBooks, magazines and newspapers on NOOK 3G, NOOK Wi-Fi and other partners' and other third-party devices. Based on Barnes & Noble's open platform and Adobe technology partnership, customers can transfer and read personal files that utilize Adobe's latest digital rights management or are rights-free.
- **On a multitude of computing and mobile devices:** Free BN eReader software allows you to take your digital library anywhere you go with your PC, Mac, iPad, iPhone, iPod touch, BlackBerry and HTC HD2 smartphones. Barnes & Noble regularly updates the software to add new features and functionality. BN eReader for Android is expected this summer. (eReader software download information is available at [www.bn.com/ebooks](http://www.bn.com/ebooks).)

Additionally, the free, People's Voice Webby Award-winning BN Bookstore app for iPhone and iPod touch users enables customers to easily place orders for books, movies, and CDs. The app also lets users search millions of products simply by snapping a photo. Using the iPhone's camera, customers can snap a photo of the front cover and within seconds get product details, editorial reviews, and customer ratings – even find and reserve a copy in the nearest store.

### **Share Favorites with Friends**

With Barnes & Noble's breakthrough LendMe technology, customers can share a wide variety of eligible titles with their friends, free of charge, for up to 14 days at a time. Simply select a book with the LendMe icon in your digital library and send it to your friend's NOOK 3G, NOOK Wi-Fi or eReader-compatible device, including the iPad, iPhone, iPod touch and PC. In the next several months, select BlackBerry and HTC HD2 smartphone owners will also gain access to Barnes & Noble's innovative LendMe technology.

### **Learn More at Barnes & Noble Stores**
