NOOK Color™ Reader's Tablet™ – The Best Reading Device and Best Value in Tablet Market

NOOK Color by Barnes & Noble, the first full-color touch Reader's Tablet, is the best reading device on the market, and the best value in the tablet market at just \$249. The award-winning NOOK Color delivers digital books, enhanced books, interactive magazines, newspapers, a wide array of children's picture and chapter books, popular apps, email and enhanced Web browsing, all in immersive, gorgeous color. This bestselling, highly acclaimed beautiful, thin and highly portable device features 8GB of space, plus expandable memory, to store it all.

NOOK Color opens up a whole new world of digital reading material of all kinds, in addition to providing access to one of the world's largest digital content collections with over two million digital titles a single search away. In addition to the best-in-class reading experience, NOOK Color also offers customers the most-requested tablet features which include shopping a broad collection of popular apps, staying connected with full-featured, built-in email and enjoying an enhanced Web experience. NOOK Color is also the most social reading device ever built –you're only touches away from sharing with friends. Learn more at a NOOK Boutique™ or display at your favorite Barnes & Noble bookstore, or visit www.nookcolor.com.

Elegant Design with Readers in Mind

NOOK Color's elegantly simple design in classic graphite features an angled lower corner that evokes a turned page, along with a beaded border and lustrous, soft-touch back that makes holding NOOK Color comfortable and pleasurable. No other full-color touch reading device is thinner or more beautiful. The compact device fits easily into your purse, jacket or bag at 8.1 inches (height) by 5 inches (width) by 0.48 inches (depth) and 15.8 ounces.

VividView™ Color Touchscreen

NOOK Color features a best-in-class 7-inch color touch display like nothing you've ever seen before. The screen displays more than 16 million colors and offers a wide viewing angle for personal or shared reading. The special design provides enhanced color tuning, gradation and reduction of glare to reduce distracting reflections.

A Vast Array of Digital Content

NOOK Color provides access to the most expansive digital catalog available so you can browse more than two million books, enhanced books with in-page video, newspapers and magazines, engaging children's books, and other interactive content in a single search. Enjoy more than one million free reads, and the vast majority of titles in the Barnes & Noble NOOK Bookstore™ are \$9.99 or less – from classics to new releases and bestsellers, including most of *The New York Times* Bestsellers. Access a growing selection of Spanish NOOK Books en español™ titles. Sample NOOK Books™ for free and download all content wirelessly in seconds. Since the launch of PubIt!™, Barnes & Noble has also added more than 100,000 titles from independent publishers and self-publishing authors.

NOOK Apps™ and NOOK Email™

NOOK Color customers can get even more out of their Reader's Tablet with a collection of top quality apps specially designed to take advantage of NOOK Color's stunning 7-inch color touchscreen and to keep the whole family entertained, engaged, connected and organized. Customers can explore a growing collection of favorite NOOK Apps from leading third-party developers and content providers in

categories including Children, Education & Reference, Entertainment, Games, Health & Fitness, Lifestyle & Interests, News & Weather, Productivity, and Tools & Utilities, with more to come. NOOK Apps can be easily discovered and downloaded in seconds from Shop on NOOK Color, so you can browse complementary apps alongside books, magazines and other content. Customers will easily find their newly downloaded or preloaded apps by tapping the NOOK Apps button on the Quick Nav menu or section in their library, as well as through the newly refined search.

NOOK Color customers can also stay connected with the full-featured, free NOOK Email to send and receive emails on the top Web mail services. The NOOK Friends™ App (beta) is also preloaded in addition to Pandora® internet radio, Crossword Puzzle, Sudoku, Chess, Contacts and Gallery. There's also a built-in music player to enjoy your MP3 and AAC songs while reading anywhere using the built in 3.5mm headphone jack or speakers.

Periodicals in Vivid Color

With NOOK Newsstand™, NOOK Color customers will find an impressive and growing list of more than 160 of the best daily, weekly and monthly periodicals, all optimized for the device in rich color – from *The Wall Street Journal*, *The New York Times* and *USA TODAY* to *Rolling Stone*, *Esquire*, *Us Weekly*, *National Geographic* magazine, *Martha Stewart Living*, *Elle*, *ESPN The Magazine*, *Travel + Leisure*, *National Geographic Kids*, *Dwell*, *Outside*, *Saveur* and many more.
