Learn more at a NOOK Digital Shop™ or display at your favorite Barnes & Noble bookstore, or visit www.nook.com/tablet.

Built for Speed

NOOK Tablet uses the latest and most advanced technology to achieve maximum power, speed and responsiveness. The 1GHz dual-core processor plus 1GB of RAM, let's you stream HD videos smoothly, browse the Web lightning fast, and switch between books, magazines, videos and apps effortlessly.

Breakthrough Battery Life

With Nook Tablet's extra-long battery life you can read for 11.5 hours or watch nine hours of video – the equivalent of five full-length movies.

World's Most Advanced VividView™ Color Touchscreen

NOOK Tablet features a best-in-class 7-inch color multi-touch display specially crafted with full IPS lamination and no air gaps to deliver remarkable clarity, reduced glare and ultra-bright images in 16 million colors plus extra-wide viewing angles – perfect for sharing. It makes for the ultimate reading and entertainment experience.

Reading and Entertainment Anywhere

NOOK Tablet is designed for maximum portability, well under a pound (14.1 ounces), making it one-third lighter than the leading tablet and 10 percent lighter than the award-winning NOOK Color. Sleek and thin, with a soft touch front and back design, NOOK Tablet can be held comfortably for extended periods of time – even in one hand – and fits easily into your purse, jacket or bag. With 16GB of storage – double the space of other tablets – plus expandable memory using a microSD™ card – you can take your reading and entertainment with you, regardless of Wi-Fi® availability.

Best in Entertainment

NOOK Tablet provides access to the best names in entertainment so you can choose the TV shows and movies you love from leading services like Netflix and Hulu Plus, both pre-loaded on the device and offering free trials, with many more to come including video download and rental services such as Flixster. Listen to millions of songs from the hottest music services, including pre-loaded Pandora, as well as Rhapsody, Grooveshark and MOG, all available with free trials included. Or, customers can simply select NOOK Tablet's built-in music player to listen to their own songs wherever they go using the 3.5mm headphone jack or speakers.

Thousands of Must-Have NOOK Apps™, Web & Email

NOOK Tablet customers can enjoy a wide array of top-rated apps to play, learn, organize and explore with favorites like Angry Birds Rio and Seasons, Epicurious, SCRABBLE, My Cast Weather, Taptu, Style.com, Spanish for Dummies, Bejeweled® 2, Ms. Pac Man and more from leading third-party developers and content providers. There are hundreds of popular apps for kids to enjoy, including Dr.

Seuss' Cat in the Hat, Drawing Pad and Shrek. All NOOK Apps are the best, highest-quality versions available, optimized for the device's 7-inch color touchscreen, and can be easily discovered and downloaded in seconds from Shop, so you can browse apps alongside books, magazines and other content. Customers will easily find their newly downloaded or preloaded apps by tapping the NOOK Apps button on the Quick Nav menu, or in the newly enhanced NOOK Library™. NOOK Tablet customers can also use the lightning-fast Web browser to surf their favorite sites and stream brilliant HD videos. NOOK Tablet's full-featured, free built-in email makes it easy to stay connected with friends and family.

Award-Winning Reading Experience
